This newly created Guernsey Charitable Trust has been launched in memory of the late Ray Lowe with a main focus of providing financial and other support to young Guernsey people participating in sport.

Allied to that objective, is an aim to help youngsters to develop not only their talent, but their positivity, self confidence and ability to act as part of a team.

Funds raised will be used principally, but not exclusively, for the benefit of individuals or teams in the 10-21 age group with 50% of the Fund allocated to golf and the balance available for other sports.

Rather than placing the emphasis purely on assisting individuals already identified as talented in their arena, the Trustees will take a broader approach in encouraging youngsters at all levels to further develop their interest and achievements in their selected activity.

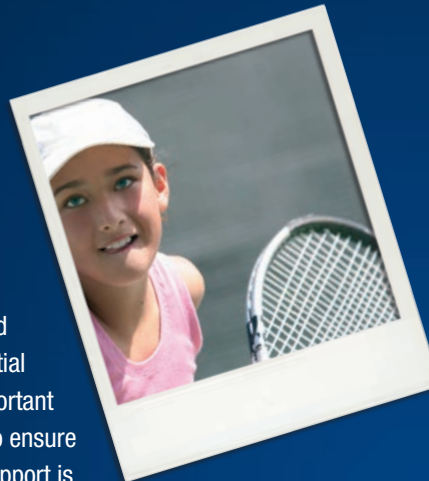

For more information please visit our website: www.raylowesf.com or contact Karen New at: karen@raylowesf.com

We believe...

Sport is an excellent medium through which to develop positive attributes amongst our young people including:

- Encouraging a healthy attitude to exercise, nutrition and well being
- Building confidence and developing social skills
- Helping overcome social disadvantage

How can you help?

The Ray Lowe Sporting Foundation Charitable Trust

has been established by way of a substantial initial donation but it will be important to its long-term success to ensure that additional financial support is forthcoming.

As well as organising fundraising events the Trustees are intending to establish a Supporters Group who will be invited to make a minimum contribution of fifty pounds per annum, further details of which are included within this leaflet.

The Trustees would also welcome one off donations to help boost the trust fund.

To become a member of the Supporters Group please complete the following form and return it to:
